ELEGANZA[®]
b a t h w a r e ▶

Celebrating 15 years of excellence in crafting premium C.P. Bath Fittings and Sanitaryware, delivering uncompromising quality with exceptional value and seamless after-sales assurance.

Introducing the **Rain-Spa** Series. The sanctuary from Eleganza.

The Rain-Spa collection represents the finest in ceiling-mounted innovation. Featuring sleek, geometric lines and an expansive surface area, this is more than just a shower—it is a design statement that envelops you in a curtain of soothing sensations, inspired by the refreshing rhythm of natural rainfall.

Offering a duality of experiences, from the gentle, full-coverage Rain mode to the invigorating rush of the Waterfall cascade, the Eleganza showering experience is a complete body bath that rejuvenates the senses like a session at a luxury spa.

Simply Rejoice...!

DEFINING TOMORROW

The Eleganza Vision & Mission

VISION

To establish ELEGANZA as a future-forward bathware powerhouse with a robust and diversified product ecosystem, a strengthened national footprint, and global market aspirations. Our long-term ambition is to cultivate enduring relationships with dealers, architects, and consumers, becoming their unequivocal preferred choice through consistent quality, ethical practices, and continuous advancement in design and technology.

MISSION

To create distinguished bathware solutions that harmonize refined design, advanced engineering, and uncompromising quality. We are committed to delivering enduring value, elevating everyday experiences, and empowering our trade partners through products that embody trust, sophistication, and performance.

VALUES

Our culture is rooted in collaboration, guided by customer-centric thinking, and driven by a commitment to continuous improvement—empowering us to deliver not merely products, but refined and enduring experiences that enrich contemporary living.

WHY ELEGANZA

ELEGANZA[®]
b a t h w a r e ▶

Eleganza stands on the belief that a bathroom is more than a functional space—it is a personal retreat where design, comfort, and reliability must come together seamlessly. Every product we create is shaped by this philosophy, ensuring that our customers and partners experience meaningful value at every step.

Where Quality Meets Sensible Pricing

We are committed to offering products that reflect superior craftsmanship, robust materials, and enduring performance. Yet, we remain equally committed to making these premium standards accessible. Our pricing is thoughtfully structured to deliver true value—high on quality, fair on cost.

Designed for Simplicity, Built for Convenience

Many of our solutions are engineered for easy, near-DIY installation, reducing dependency on time-consuming processes. This practical design approach ensures smoother experiences for homeowners, installers, and professionals, while maintaining impeccable precision and finish.

Customer-Centric at Every Stage

At Eleganza, listening comes before creating. Our product choices, service approach, and design direction are guided by the real needs of the people who use our products. This translates into intuitive features, reliable support, and solutions that genuinely enhance daily living.

Partnerships Built on Respect and Trust

Our channel partners form the backbone of our journey. We believe in transparent dealings, consistent service, and shared growth. Every initiative is designed to strengthen relationships, empower our partners, and help them deliver the Eleganza promise with confidence.

A Complete Basket of Accessories

From essential fittings to thoughtful add-ons, our wide accessory range ensures that every space can be curated with harmony and coherence. This variety allows customers and designers to personalize bathrooms with ease, style, and consistency.

Eleganza represents a blend of trust, thoughtful design, and value-driven innovation—making us a dependable, preferred choice for consumers, professionals, and trade partners across the country.

SANITARYWARE

Every form,
thoughtfully designed.
Every detail,
built to endure.

Simply Rejoice...!

SIPHONIC MODE

Advanced siphonic technology ensures a forceful, whisper-quiet flush using less water. Its innovative vortex mechanism delivers efficient waste removal while preserving hygiene. Crafted to balance performance and elegance, it offers flawless operation and pristine cleanliness with every flush. The precision-engineered design minimizes splashing and prevents residue buildup for a cleaner bowl. Built for long-lasting reliability, it enhances everyday comfort with consistent, high-performance flushing.

- ECO FRIENDLY MATERIAL
- WATER SAVING DUAL FLUSH SYSTEM
- SMOOTH RIMLESS DESIGN
- CONCEALED S-TRAP MECHANISM
- NANO GLAZE

FLUSHING MODES

WASHDOWN

Washdown flushing operates by directing water flow straight into the bowl, applying consistent force to clear waste efficiently. The mechanism is simple, low-maintenance, and designed to provide reliable performance for regular use. This system ensures quick waste removal, reduces the chances of clogging, and supports long-term durability with efficient water usage.

SIPHONIC

Siphonic flushing functions by generating a powerful vacuum action that efficiently removes waste using minimal water. Engineered for quiet operation, this system delivers thorough cleaning, enhanced hygiene, and consistent performance, resulting in a smooth and refined flushing experience suitable for modern bathrooms.

TORNADO

Tornado flushing operates using a single high-pressure jet that generates a powerful spiral water flow, effectively covering the entire bowl surface. This dynamic flushing action delivers deep cleaning, improved efficiency, and consistent performance, ensuring a smooth, controlled, and visually refined flush with every use.

RIMLESS

Rimless flushing is designed without concealed edges, allowing water to flow freely and reach every area of the bowl. This open structure minimizes residue buildup, improves hygiene, and simplifies cleaning, while preserving a clean, modern, and streamlined appearance.

GINIE

TANK-LESS

Designed for modern bathrooms, this semi-smart wall hung wash commode features an integrated internal flushing system that works without electricity and without any flush tank.

A single side button activates the built-in mechanical flush, delivering efficient, controlled, and hygienic flushing—completely tank-free and power-free.

With its clean wall-hung design and intelligent internal mechanism, this toilet offers the perfect balance between smart functionality and mechanical reliability, making it ideal for premium homes, hotels, and commercial spaces.

Eleganza Bathware – Warranty & Care Guidelines

Thank you for choosing Eleganza Bathware for your home or project. Our products are crafted for long-lasting performance and refined everyday use. With correct installation and regular care, you will enjoy a smooth and satisfying experience for years.

Warranty Coverage:

Eleganza will, at its discretion, repair, replace, or adjust any product found to have a manufacturing defect under normal usage conditions.

Warranty is valid from the date of purchase.

To avail warranty service, the original GST invoice or warranty card must be produced. In case of developer purchases, the possession letter will be accepted as proof of purchase.

Warranty service is limited to the product only. Installation, removal, or re-installation costs are not covered.

Inspection & Replacement:

Eleganza reserves the right to inspect the product and its installation before approving replacement or repair. If a product or part is discontinued, an equivalent product will be offered on a pro-rata basis, with the customer paying the applicable price difference as per current MRP.

Installation Guidelines:

Products must be installed only by trained and qualified technicians, strictly following Eleganza's installation instructions. Use of cement is not recommended. Please use screws, plastic/silicone washers, and waterproof silicone sealant to ensure proper fixing.

Warranty becomes void in case of improper installation, mishandling, or negligence.

Exclusions:

Eleganza is not responsible for damages caused by faulty installation, civil work, construction alterations, or plumbing issues. Any incidental or consequential damages, including loss or inconvenience, are not covered. Delays caused due to non-availability of parts shall not attract any financial compensation. Damages due to rodents, pets, misuse, abnormal water pressure, or lack of maintenance are excluded. Water Quality Advisory Use of a water softener and controlled water pressure is strongly recommended.

This helps prevent scaling, ensures smooth functioning, and enhances product life.

Force Majeure:

The warranty does not cover damages caused by events beyond control, including natural disasters, fire, floods, strikes, government actions, or similar unforeseen circumstances.

Limitation of Liability:

Eleganza's liability is strictly limited to repair or replacement of the product or its value. Eleganza shall not be liable to uninstall defective products or install replacements. Replacement products must be collected from the point of purchase against return of the defective item.

By purchasing and using Eleganza products, the customer agrees to the above Warranty Terms & Conditions.
